
COUNTYBANK REACHES GOAL OF \$5,000 FOR DEBIT CARD DONATION SWIPE CAMPAIGN

Greenwood, S.C. — Countybank is excited to announce the results of its first debit card swipe campaign that occurred throughout December 2020. The bank reached its maximum contribution goal of \$5,000.

“We could not be more thankful to our customers for consistently using their debit cards during the holiday season to help us reach our goal,” said R. Thornwell Dunlap III, President and CEO of Countybank. “These funds will aid in the ongoing activities and operations of Upstate organizations as we enter 2021. We are honored to have the means to contribute to these great causes.”

The campaign kicked off on December 1 and continued through the end of the month. For every transaction using a Countybank debit card throughout December, the bank donated to one of the many local non-profit and charitable organizations that the Countybank Foundation supports. These include:

- Anderson Interfaith Ministries
- Daily Bread Ministries
- Greenwood Area Habitat for Humanity
- Greenwood Genetic Center Foundation
- Piedmont Technical College Foundation
- Rebuild Upstate
- Self Regional Healthcare Foundation
- United Way – Greenwood, Greenville, and Anderson
- And many more

While Countybank made donations through this campaign of up to \$5,000, the Countybank Foundation contributed more than \$150,000 to community organizations in 2020 as a whole.
